Tree Grille | ASF 3002/SS Stainless Steel Tree Protection System

Material:

Manufactured in stainless steel from recycled sources – grades 316 and grades 304 available
Also available in 275 carbon steel from recycled sources

Finish:

Stainless steel versions finished satin brush polished
Mild steel versions finished galvanised
Powder coating also available

Supporting Frames:

All tree grilles come with medium duty steel frames in two halves. Other heavier duty frames or paving support frames available on request

Security Fixing:

Tree grilles come with facility to fix directly to supporting frames thus increasing rigidity and also preventing unauthorised removal
